

Dear Ronnie Greetings in Jesus name.

2/3 of GOD is GO AND THIS IS WHAT WE ARE GOING TO DO AGAIN SOON.

THE WORD MINISTRIES OF RUSSIA

WE WILL BE ON UNCHARTED WATERS AS GOING TO KURIL ISLANDS WILL BE NEW TO US ALL.

Greetings in Jesus Name,

Well it's soon going to be that time of year where I will be heading off to the Russian Far East and Siberia. I am hoping to be mostly working on two islands in the Far East one called Sakhalin and the other Kuril.

Sakhalin Island Kuril Islands

This next trip will be very different for us as the new Russian Laws have made things much harder to Evangelize as we have in the past. This is a typical village in the Far East of Russia

We are praying that our next trip will keep us busy on the island of Kuril which is comprised of 56 islands in a chain. The last census said that twenty five thousand people made up of Nivkhs, Ainu, and Oroch along with white Russians make up the bulk of the Population. Russian Orthodoxy, Islam and Shamanism make up the known religions. *CHRISTIANITY ????*

GO IT TODAY.

We are now applying for special permission to go to the island, and will be using our Humanitarian aid as our ticket to get permission to be there. As usual we will be supporting the only Christian school left in Russia with their many needs. Our involvement with the Children's Cancer Center will also be high on our list as we will be sponsoring new children. This picture of Marina was taken several months ago. We were very blessed to be able to support her in her ongoing fight against cancer.

Of course we will continue to work with the churches in the area ^{AND} supporting the orphanages, rehabilitation centers, Vacation Bible Schools, and handicapped centers. Thank you all so very much for your past support and we pray that you would find a way to help again. Please make all checks out to The Word Ministries of Russia. We plan on leaving as soon as we get permission to visit the Island of Kuril which we think will be around mid-May or early June. Remember we are a 5013c organization so your donations are tax deductible. Please call me if you have any questions about our next trip (803 707 1040). **John 4:35, Don't you have a saying, 'It's still four months until harvest'? I tell you, open your eyes and look at the fields! They are ripe for harvest.**

Love and appreciate you all,

Bobby. *Bobby*

Our dear brother Pastor Boris has passed on. February 23rd was his last day on this earth but now he is in Heaven. Pastor Boris was such an inspiration to thousands who were in prison. Boris was the head of the Russian Prison Ministry in the Far East of Russia. We will all miss him greatly as he goes on to his reward.
